## **ACROBATIC ARTS CLASSES**

Does your child enjoy trying Cartwheels, Handstands and Forward rolls and learning routines?

Our classes help to encourage your Childs enthusiasm for **GYMNASTICS and DANCE combined.**

The children will learn new skills such as limbering, tumbling and partner work. They will also improve in important aspects such as balance, strength and flexibility.

Within each class we start with a fun, energetic warmup which leads onto some floor work on the mats, we then finish the class with a cool down and an exciting game.

Our aim is for your child to try a new discipline, make friends and most importantly have fun
