

Welcome to all at Highcliffe St Mark's school community!

I wanted to let you know that the BCP Navigator team are based at The Somerford Hub, Draper Road, Christchurch. My name is Lyndsay and I am part of a team based across BCP regions who can offer support for you and your family within the local community. The Navigator team work alongside many organisations with an aim to reach out and provide information, guidance, and support. This support is not just from a parenting or educational aspect, but we can also signpost you to many other services.

The Navigator team are linked with Highcliffe St Mark's and should it be felt helpful, with your consent the school may contact us for information, advice and guidance. If you would like to chat to one of the team directly we run a drop in session each Friday morning here at the hub from 9am until 11am. There is no need to book for this just pop along.

You are also welcome to contact the hub directly at the hub via christchurchfamilyhub@bcpcouncil.gov.uk

I hope you have an enjoyable Autumn term and wish you best at the start of this academic year

Warm wishes

Lyndsay
