Dear Parents and Carers,

We are working closely with BCP on a new school travel plan. Its aim is to review how our community travels to and from school and to explore ways we can reduce our carbon footprint. Every member of our community, including staff, will be involved.

We would really appreciate your support. Please take a few minutes to complete our travel survey. BCP will help us analyse the results and develop strategies to encourage active travel to school, which will also help reduce the parking challenges we currently face.

You can access the survey here:

Our Eco Captains will also be on the playgrounds at pick-up time this week with iPads to help anyone who would like to complete the survey then.

Thank you for your ongoing support.

Yours sincerely,

Mrs Barker
