

EYFS Maths Progression of Knowledge and Skills

Year	Number			Measurement	Geometry		Statistics
	Number and Place Value	Addition and Subtraction	Multiplication and Division Fractions	Measurement	Properties of Shape	Position and Direction	Statistics
EYFS	<p>Have a deep understanding of number to 10, including the composition of each number.</p> <p>Subitise (recognise quantities without counting) up to 5.</p> <p>Explore and represent patterns within numbers up to 10, including evens and odds.</p>	<p>Automatically recall numbers up to 5 (including subtraction facts) and some number bonds to 10, including double facts.</p> <p>Automatically recall double facts up to $5 + 5$.</p>	<p>Solve problems using doubling, halving and sharing (linking with number facts to 10).</p>	<p>Compare quantities up to 10 in different contexts, recognising when one quantity is greater than, less than or the same as the other quantity, e.g. size and difference in weight.</p>	<p>Make patterns of shapes (identify 2D shapes- names and properties).</p>	<p>Use language of directions, for example: forwards, backwards, turn, through play.</p>	<p>Sort numbers/shapes/money into properties, for example odd and even.</p>
	<p>Number Blocks: Numberblocks Support Materials NCETM</p>
