30 January 2026

Dear Parents and Carers,

## Foundation – Y6 Parent Consultation Meetings

We are really keen to share with parents how children are progressing at the mid-point of the year. Parent, teacher consultations will be held on **26<sup>th</sup> February and 3<sup>rd</sup> March between 3.30 and 6.30pm**. All appointments will be 10 minute face to face slots in the halls, bookable through your Arbor account.

The children's books will also be available for you to look at and you are welcome to bring your child along so that they can show you the learning they have completed so far this year. Books will be in trays in the hall so that you and the teacher can refer to them in your discussions. Please respect other children and only look at your child's books. You will also be given a brief summary of their current attainment against the National Curriculum.

Please make your way to the office for Foundation and KS1, and through the sports playground for KS2 appointments.

Our kitchen team will be serving samples of our new menu for you to try from the KS2 hall serving hatch. Members of the leadership team will also be in school to answer any queries and guide you if you need help finding a teacher or the food.

**Online booking will be available from 5.00pm Wednesday 4<sup>th</sup> February.**

We are very much looking forward to continuing our partnership with parents and carers in this way.

Yours truly,

Claire Barker  
Headteacher
