Dear Parents and Carers,

We hope you are all well.

We are writing to let you know that from next week, beginning Monday 2nd March, our Pre-School Breakfast Club will be relocating to the KS2 Hall, where the main school Breakfast Club is currently based.

Breakfast Club will continue to be run by Mrs Bedford and Mrs Clampin, who will be there each morning to welcome and support the children as usual. The children will still be able to enjoy the same breakfast options they are familiar with, along with access to an even wider range of activities in the larger space.

From Monday, Breakfast Club can be accessed via the gate leading to the main playground. This is the same location that children are collected from if they attend After School Club. Next week, you will be able to accompany your child to the hall where Breakfast Club is run to ensure a smooth transition.

We are confident that the children will enjoy the additional space and activities available to them, and we look forward to welcoming them to the new location.

If you have any questions, please do not hesitate to speak to a member of the team.

Best wishes,

The Fledglings Team
