26 March 2026

Dear Parents/Carers,

Next half-term, our topic is 'Garden Explorers'. As part of our enrichment, we will be holding a Minibeast Day on Friday 8<sup>th</sup> May. This will be a fun day celebrating our learning and our imaginative ideas over the half term.

We would love to give your child the opportunity to dress up in the theme of minibeasts. This could be as much or as little as they like. School uniform will not be required on this day. In the lead up to this day, we will be reading 'The BIG Book of Bugs'. It would be lovely if you could talk to your child about what they are doing at school, as they may want to take inspiration for their costume from this book. Children will still be going outside for playtimes, so please send them in with suitable footwear and a coat. We would ask that your child does not bring in any toys on this day as they could get lost or damaged.

If you have any further questions, please do not hesitate to ask your child's class teacher.

We can't wait to see your wonderful creations!
