Dear Parents/Carers,

## Year 5 Fiver Challenge Project

Year 5 will be taking part in a “Fiver Challenge” project this term. In small groups, children will be given £5 (loaned from the school) to start a business around the theme “Animal Planet”, in celebration of David Attenborough’s 100<sup>th</sup> Birthday. They will learn about design, market and budget and put it into practice to develop their business and make a return on their initial investment. The project will take place within school.

We will celebrate the end of the project by inviting parents to a “**Fiver Challenge**” **Event on 17<sup>th</sup> July, 2.20 – 2.50pm** where children will exhibit their products/ business ideas with the aim of making money.

All profits will be donated to charities selected by year 5 pupils.

Please note the following during the event:

- Items will be in multiples of 50p (e.g. 50p, £1, £1.50, etc.)
- There will be no change initially, so please bring cash in accordance to the amounts above
- Please ask the children about their businesses

Many thanks for your support,

Year 5 Team
