Dear parents and carers,

Foundation, Year 1, 5 & 6: Active School Travel Survey

Our school has been selected to take part in a project about walking, wheeling and cycling to school.

The survey is run by the National Centre for Social Research (NatCen), Britain's largest social research organisation. NatCen is running the survey for Active Travel England, who work to make walking, wheeling and cycling a safe and attractive choice for everyday trips.

The online survey should take around 10 minutes and should be **completed by 14th October 2026**. To take part, please use the following

link: survey.natcen.ac.uk/mrlWeb/mrlWeb.dll?l.Project=P2042601_MAI_V1&i.user1=147121

Please note:

- Taking part is your choice.
- There are no right or wrong answers.
- You can complete the survey once for each child in reception, year 1, year 5 or year 6.
- Your child does not have to regularly walk, wheel or cycle to school for you to take part in the survey.

What will I be asked?

- How you / your child travels to school.
- What helps or makes it hard to walk, wheel or cycle to school.
- What you think about changes to help children travel actively to school.

More information about the project and what taking part involves can be found in the [Taking part page](#), [privacy notice](#) and [plain English privacy notice](#).

You can also email ASTSurvey@natcen.ac.uk or call 0808 168 1356 for more information.

Our school will receive a £30 voucher for taking part, and a £75 voucher if there are 50 or more participants.

Yours truly,

Claire Barker
