Dear Parents and Carers,

## YR – Y6 Parent Consultation Meetings

We are looking forward to meeting with parents and carers after half term to review the progress your children are making and their next steps.

Consultations will be held on **3<sup>rd</sup> and 12<sup>th</sup> November, between 3.30 and 6.30pm**

All appointments will be 10 minute face to face slots in the halls, bookable through Arbor. Reception, Year 1 and 2 will be in the KS1 hall (access is via the main office) and Years 3-6 will be in the KS2 hall (access via the KS2 carpark/playground gate). We respectfully ask all parents to support the teacher in keeping to the allocated 10 minutes.

The children's books will be available for you to look at, and you are welcome to bring your child along so that they can show you the learning they have completed. Books will be in trays in the hall so that you and the teacher can refer to them in your discussions. Please respect other children by only looking at your own child's books.

This year, the Pop-up Bookshop will be coming to our school from **Monday 2<sup>nd</sup> November – Friday 6<sup>th</sup> November**. The fair will take place after school each day in the covered area outside the office and be open during **Parents' Evening on Tuesday 3<sup>rd</sup> November**, with a second location in the KS2 corridor on that evening.

As you may know, we have been working with them already to record your children's reading and raise money towards books for school. [On their website](#) you can see how much has been raised and receive discounts related to the amount of reading your child has completed, as well as access recommended reading lists for each year group.

Members of the leadership team will also be in school to answer any queries and guide you if you need help finding a teacher.

Online booking for parent consultations will be available through Arbor from **4.00pm Wednesday 14<sup>th</sup> October**.

Information about Fledglings parent consultations will follow.

We very much look forward to sharing your child's progress with you.

Yours truly,

Claire Barker
