2nd October 2026

Dear Parents and Carers,

Recently, we shared our new Governor Long-Term Strategic Plan with you. The plan, which can be viewed on our [website](#), sets out our vision and priorities for the school over the next three years and will help shape our school improvement journey.

As part of our commitment to working in partnership with our school community, governors would welcome your views on the plan before they meet to review it and make any final refinements.

If you would like to share your thoughts, comments or suggestions, please email the school office and mark your message FAO: The Governing Body by **Friday 16th October**.

Thank you in advance for taking the time to read the plan and provide feedback. Your views are valued and will help governors ensure that the plan reflects the aspirations of our school community.

Yours faithfully,

The Governing Body
