

Year 5 - Curriculum Map - Autumn Term 1 2025

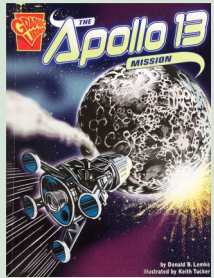

Home Learning Tips

Home learning will be set once a week based on what we have been learning in school. Keep practising your times tables to 12 and be confident with the corresponding division facts. Read and record a minimum of three times a week. Predict what might happen next or try to summarise the story. Don't forget to read a variety of text types, both fiction and non-fiction.

English	Key Vocabulary	Definition
<p>To write a recount based on the Apollo 13 space mission.</p> <p>Children will learn and apply discrete grammar to their writing.</p> <p>In Reading, children will read a range of challenging texts and retrieve information.</p> <div style="border: 1px solid black; padding: 5px; margin-top: 10px;"> <p style="text-align: center; font-weight: bold;">Focus Text</p> <p style="text-align: center;">The Apollo 13 Mission by Donald B Lemke</p> </div>	Coordinating conjunctions	Connects two main clauses in a sentence to create a compound sentence.
	Sentence	A group of words which includes a subject (noun) and a verb. It makes sense on its own.
	Fragment	A group of words that is not a complete sentence. Fragments often lack a subject, verb or both.

Subject	Outcome
Science	To identify the effects of air, water resistance and friction on moving surfaces. (Forces)
Design and Technology	To know that structures use the movements of pages to work and that mechanisms control the movement.
PSHE	To develop strategies in order to maintain relationships.
Music	To identify the structure of a piece of music, to improvise and play a melody with accuracy (Here Come The Egyptians)
Humanities	To describe at least four of the key aspects of the human and physical geography of the Alps to answer the enquiry question, 'What is life like in the Alps?'
French	To recognise and sort nouns by gender and number, and to explain the effect this may have on an adjective.

PE	RE
----	----

Gymnastics - Children to perform a short sequence using a range of balances.

Rugby - Children to develop their passing and receiving skills and tactical knowledge.

Netball - Children to learn a range of passing styles and defending techniques which can be applied in games.

Children will be able to identify features of a Gospel text.

Maths	Key vocabulary	Definition
